

Casco Township Existing Land Use

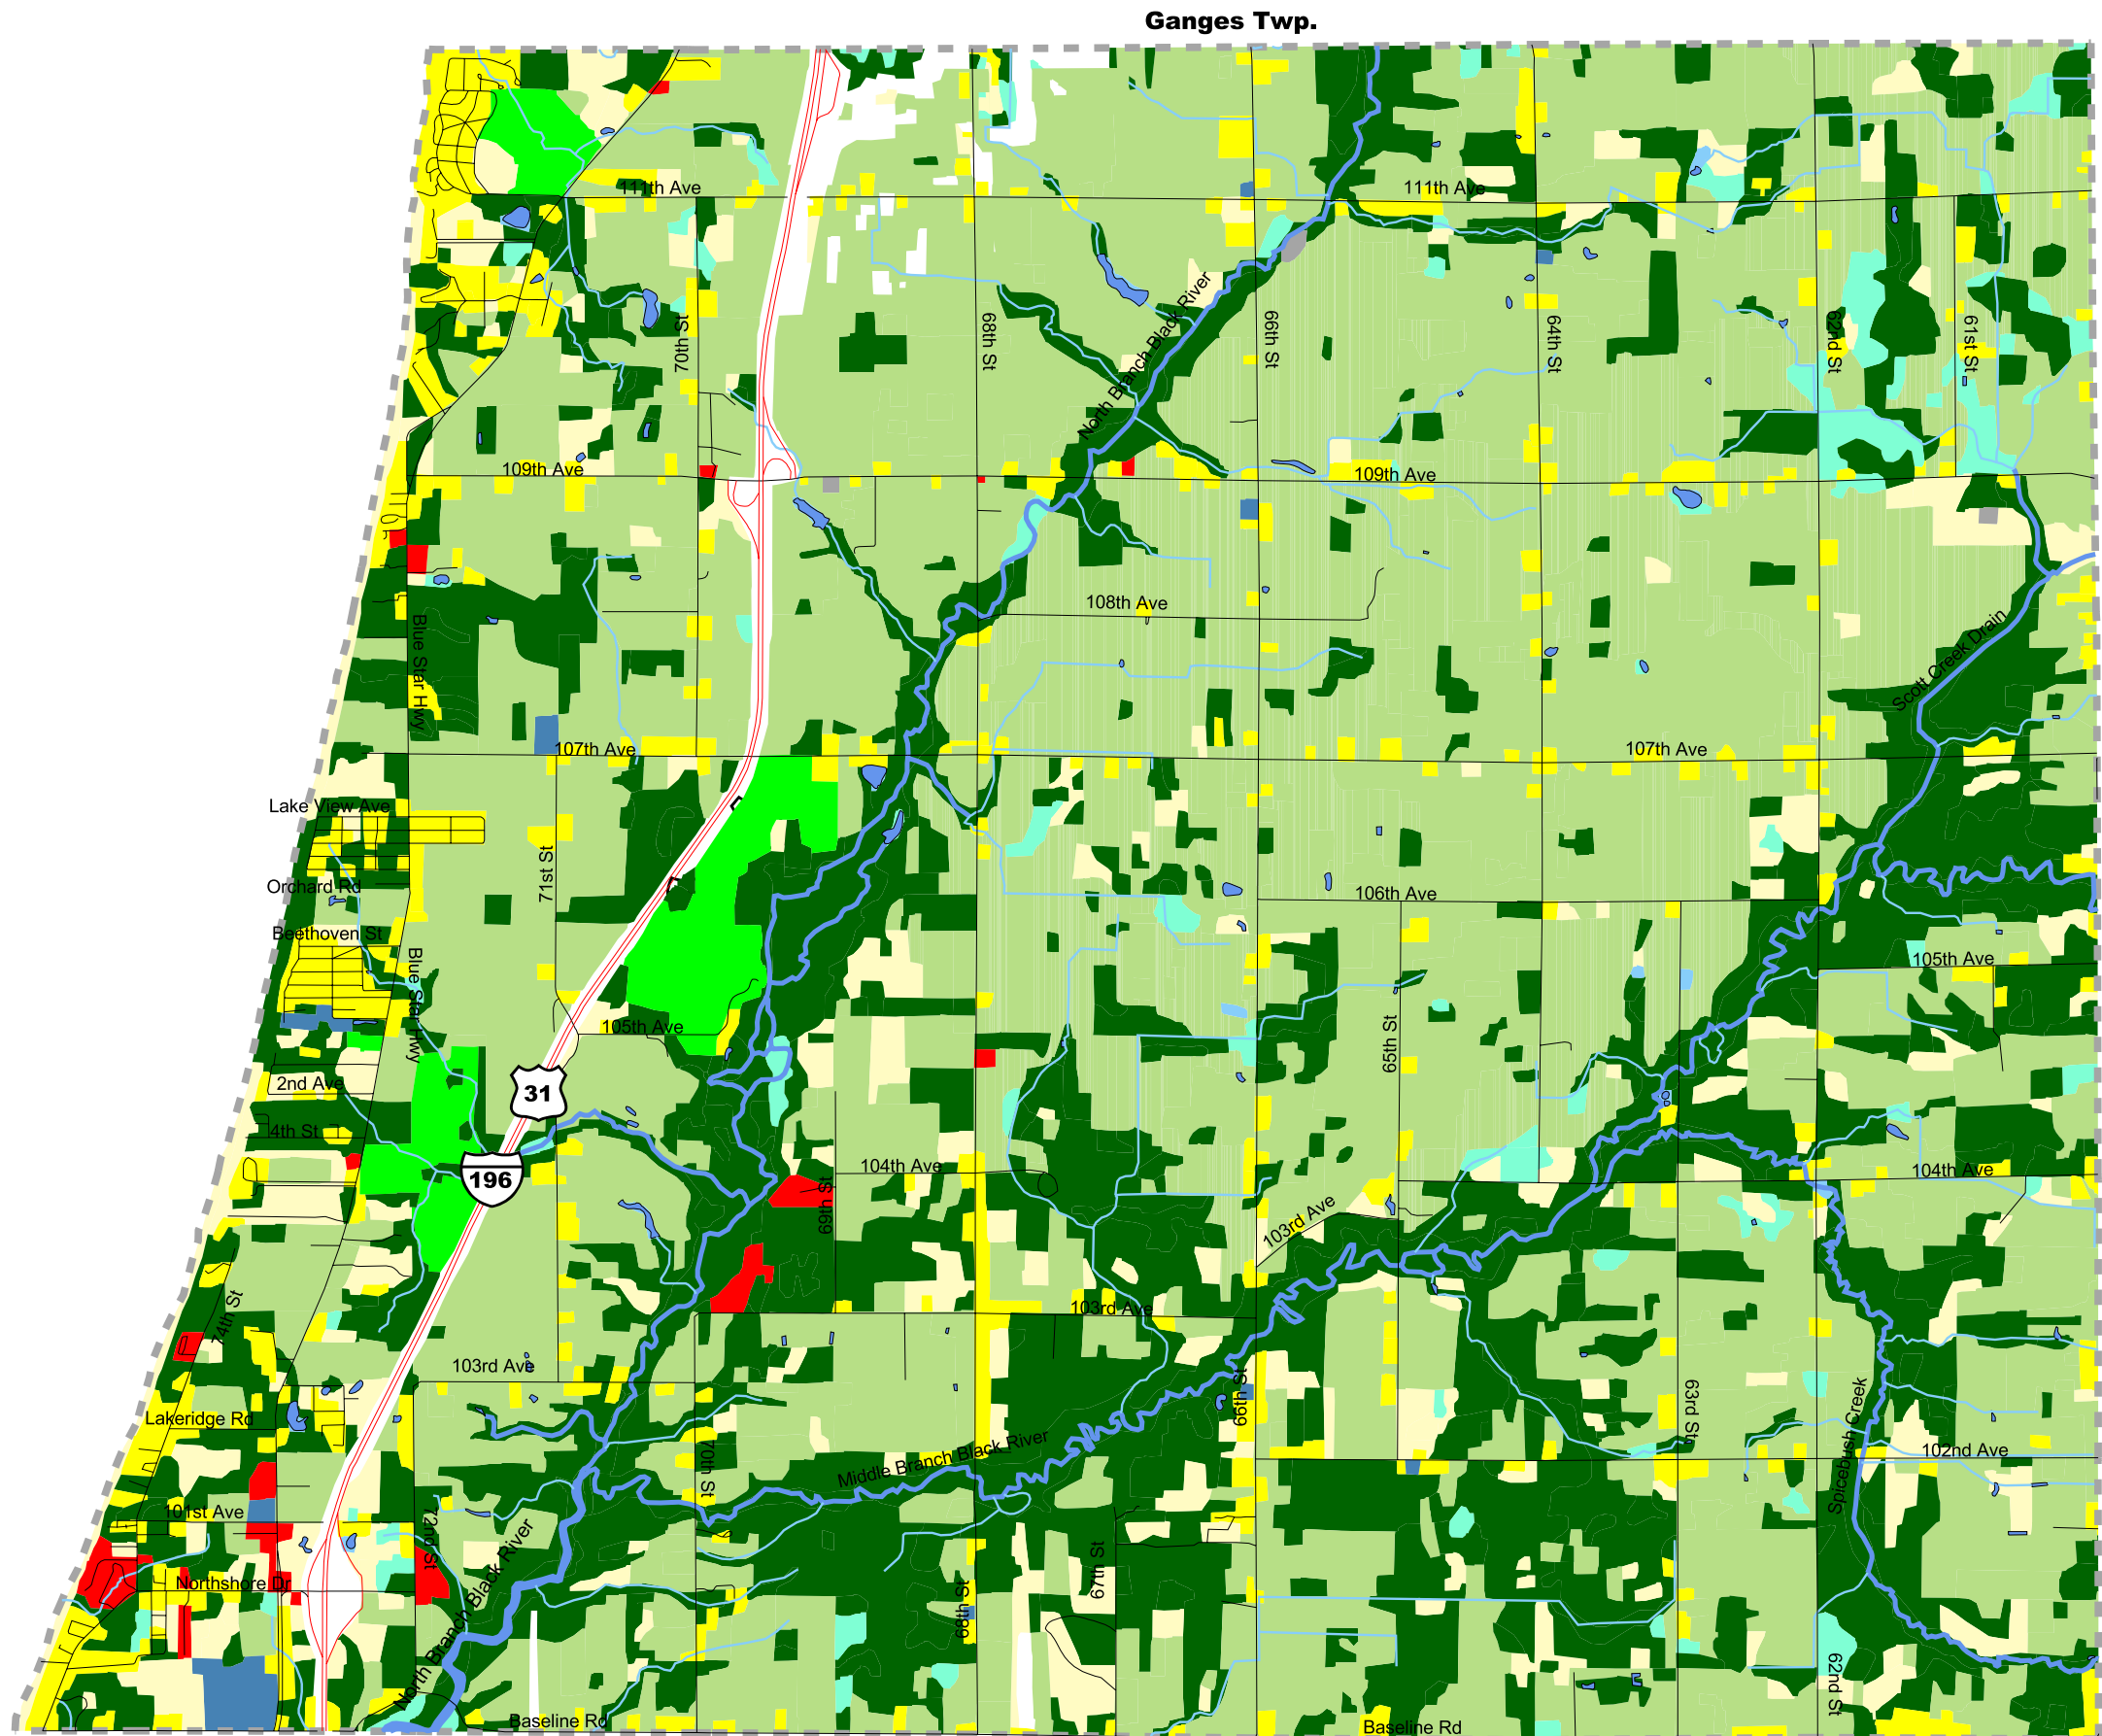

Allegan County, Michigan

May 9, 2005

This is not a zoning map.

Existing land use classifications differ significantly from zoning ordinance classifications. The map is a snapshot in time, based on data from the Michigan Center for Geographic Information (CGI), 1998 aerial photography and selected on-site review of conditions. Complete accuracy is not required or alleged for master plan purposes as the map portrays general land use patterns rather than detailed uses.
